

## Happy Spring!!!

Dear Parents,

Spring is approaching us very quickly and making us wonder if we can squeeze some healthy lifestyle into our busy schedule. Let us get into shape for the spring by choosing healthy food and increasing physical activities.

As we motivate our children into busy physical schedule, we planned the following educational activities for them this month:

March is National Nutrition Month. This month we are going to talk about eating healthy foods and be physically active. Our children will be participating in activities to promote healthy habits for a healthy lifestyle.

March is Women's History Month. Our preschool teachers will present to the class women's accomplishments and their importance.

March 2<sup>nd</sup> is Read Across America Day. It was designed to celebrate Dr. Seuss' Birthday. We will read Dr. Seuss' books and create activities relating to stories.

March 8<sup>th</sup> International Women's Day. Happy Women's Day Ladies!!! Preschool and Pre-K children will make thank you cards for a special woman in their lives.

March 10<sup>th</sup> Daylight Saving Time Begins. Move clocks 1 hr. ahead.

March 21<sup>st</sup> is Incredible Kid Day. Dear parents, please write a letter describing how you find your child being incredible. Their teacher will read the letter out loud so your child will feel loved and special.

March 17<sup>th</sup> - Happy St. Patrick's Day. Wear your GREEN!!!!

March 19<sup>th</sup> - is the first day of SPRING!!! Hooray!!!!!!!!!!

March 27<sup>th</sup> is National Scribble Day. This day is to inspire children to kindness through art. Families can participate at home by bringing out crayons & art supplies and having a family art day!

## From the Front Desk
